

Dear Parents,

It looks like we have a wonderful group. I am looking forward to a great year with your children. The following are a few things to be aware of.

Specials have already begun. Also, the children are divided into two groups and will attend Library and Art on alternating weeks. We will start with group 1 attending Art this week and group 2 going to Library. You can check your library books for due dates to help keep track of things – of course that doesn't mean that I won't take them to the wrong place!!!!!!

Your child will be in the following group for the year:  
We will be having snack time every afternoon. Please send a small snack with a drink for snack time. Clear drinks such as water, gatorade or apple juice would be most appreciated.

SPECIALS SCHEDULE – Monday – Music  
Tuesday – Computer  
Wednesday – Art/Library  
Thursday – 8:30 Mass  
Friday – Gym

Thanks for all your help!!!!
